

# CERTIFICATE

## CONCERNING FACTORY PRODUCTION CONTROL ACCORDING TO DIN EN 10210-1:2006 and DIN EN 10219-1:2006, each ANNEX ZA

The Certification Body for Structural Metallic Products of TÜV NORD Systems GmbH & Co. KG hereby confirms in accordance with the Regulation (EU) Number 305/2011 of 09 March 2011 that the company

**Salzgitter Mannesmann Line Pipe GmbH  
In der Steinwiese 31  
57074 Siegen**

has been certified with their construction product

**HF-welded structural hollow sections, hot or cold finished, of non-alloy and fine grain steels, strength class S235 up to S460**

- Materials and dimensions according to the mentioned product standard -

**accordant the regulations of  
EN 10210-1:2006 as well as EN 10219-1:2006, annexes A and B**

which was subject to an initial inspection of the products by the manufacturer and that the construction product is subjected to a continuous factory production control.

The Notified Body conducted an initial inspection of the plant and of the factory production control and performs continuous monitoring and conformity assessment of the factory production control.

(Conformity Certification Procedure: System 2+)

The producer is responsible for the usability of the CE-marked structural products acc. to the product standard and the Declaration of Performance (DoP).

**Certificate No.: 0045-CPR-0854**

**Year of initial inspection: 1996**

This certificate has been issued in accordance with the Construction Products Regulation and is valid provided the provisions of the harmonised technical specification indicated are complied with and the manufacturing conditions in the plant or the factory production control are not modified to a major degree.

**Hamburg, 24.09.2015**

**Validity endorsement:**
